Helping kids return to nursery
after Coronavirus closures

We hope
you have
had fun
playing at
home!

It was important
to stay home
and keep safe.

Now it is safe
for some children
to come back
to nursery!

One day soon we hope the nursery will be able to go back to normal, but for now we will have some new rules to help keep everybody safe.

To help keep us safe at our nursery, your grown up will need to drop you off outside.

Your teacher will be waiting for you at your special entrance.

At home time your grown up will wait outside for you.

Not all of the children will be back in the classroom.

You will be in small groups but it will be exciting to see some of your friends.

Kidz@Work
welcome to their world

**You might not always
be with your usual
teachers, but you will
have a special
grown up to help
look after you.**

You will have
lots of fun
activities
to do!

We might need
to check your
temperature,
just to check that
you are not too hot.

Wash Your Hands

We will be washing our hands lots!

Your teachers
will keep toys clean!

We will have new snuffle stations in the classroom to help you and your friends to use a tissue and keep clean!

Nose Blowing Station

1. Grab a tissue.
2. Blow your nose.
3. Throw the tissue in the bin.
4. Go and wash your hands.

Some of your
teachers might be
wearing masks to
help keep them safe!

Some toys in the classroom will be put away, but there will still be plenty of toys to play with.

Your toys from home will have to stay at home,
but if you need a special comforter we can keep
it in a safe place at nursery.

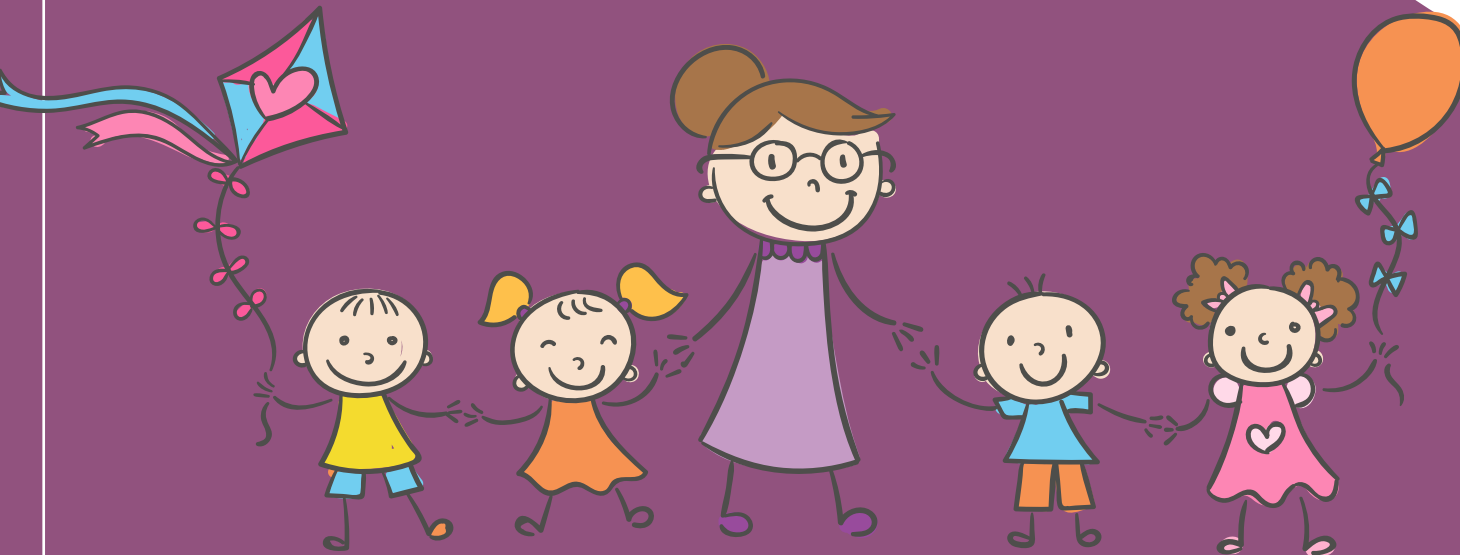

The indoor play area will be closed at the moment, but you will be able to play in it again one day soon.

We will be spending lots of time outside at nursery, staying with our small groups and special grown up.

Each group will have their own section in the outdoor area.

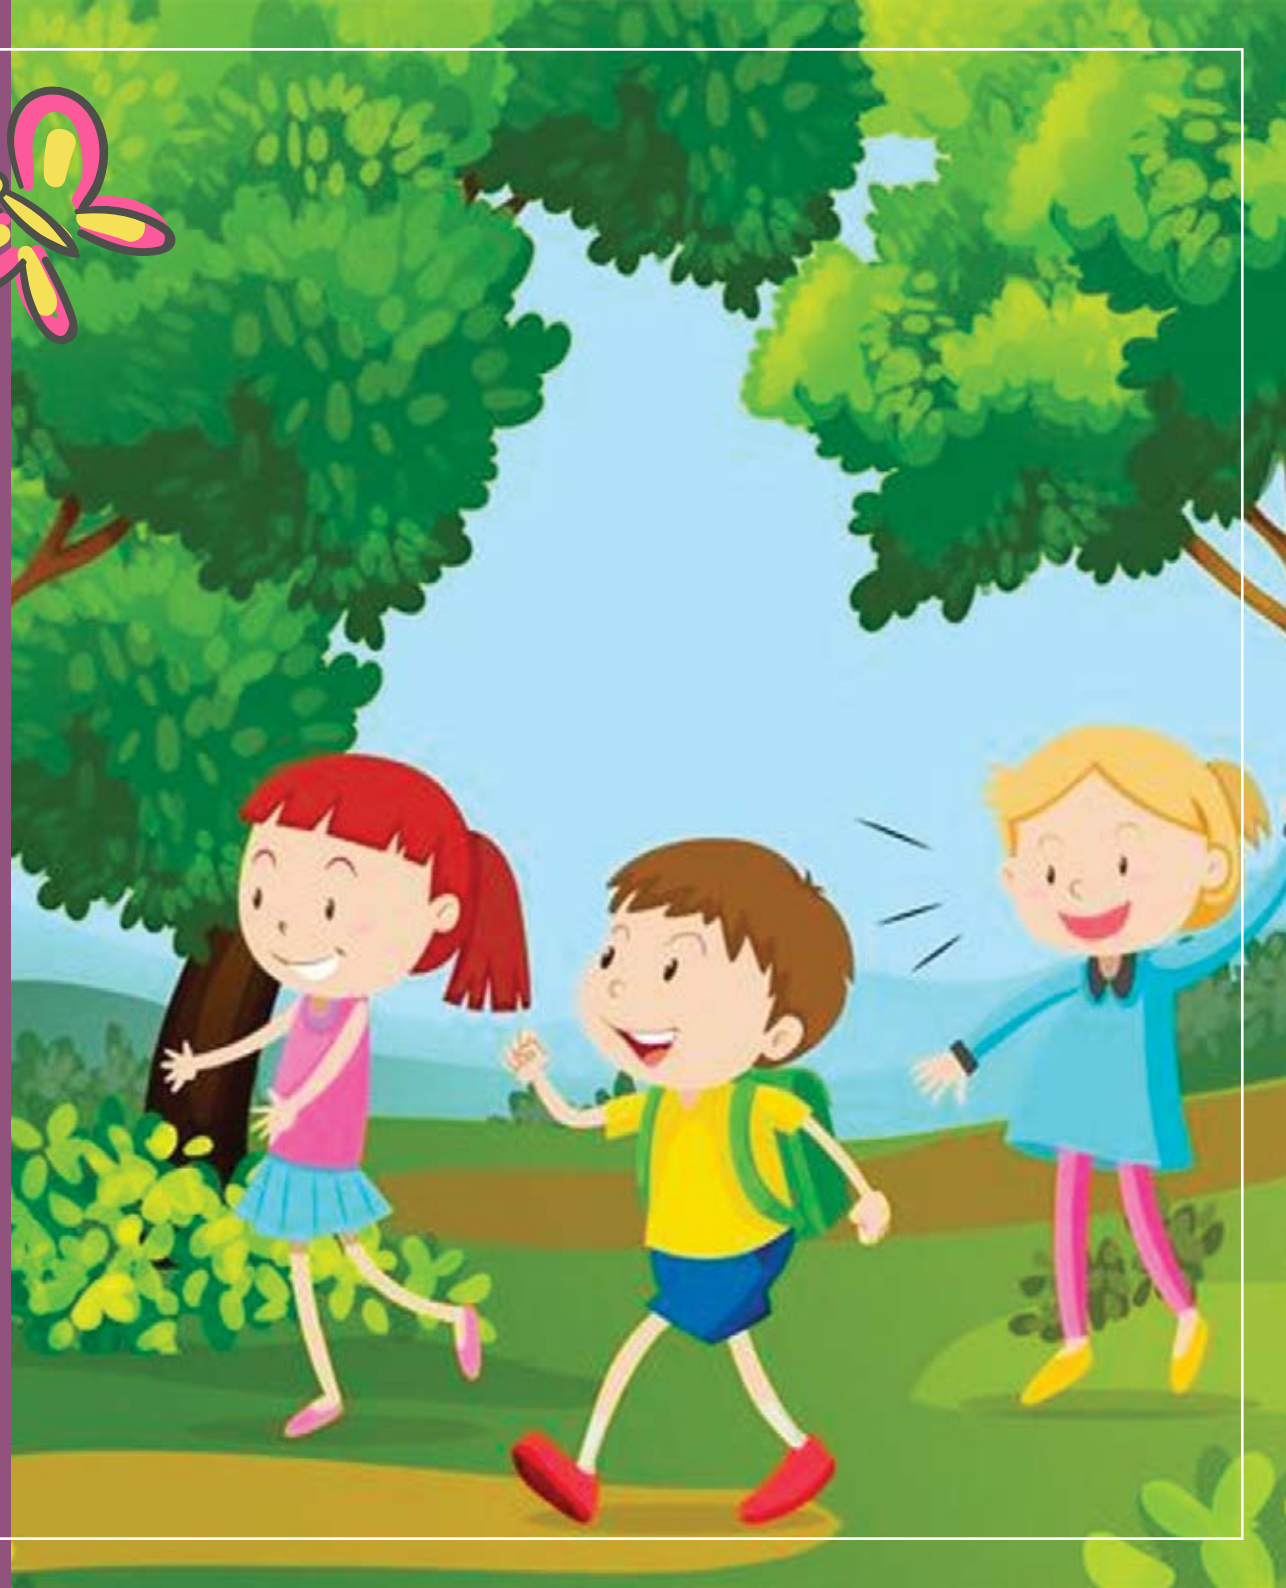

We will be going
on some walks
outside of nursery!

I wonder what
we will see?

Kidz@Work
welcome to their world

The weather is so sunny at the moment!
Every child will need a jacket, sun hat and sun cream
to be left on their peg at nursery.

A plastic or paper bag is perfect to use, you can
keep your favourite bag at home.

Nursery will
still be lots of fun!

We can't wait to see you!
